VOL. 10, NO. 185 MONESSEN, PA., FRIDAY, JANUARY 12, 1912 SIX CENTS THE WEEK

BOARD OF TRADE INCREASING IN MEMBERS

It looks like a membership of more than two hundred for the local Board of Trade during the season of 1912. One of the commitee on membership alone reports thirty new members, another fifteen and so on down until a full report of the committee will likely swell the number of new members above the one hundred mark. No person is objecting to placing his name on the list and contributing $3.00 for dues to keep the organization alive. Next Friday evening will be the first meeting of the board since the annual banquet and election of officers, when Chairman E. C. Sattley will preside for the first time. There will be more life put into the organization the coming year than any time in the two years of its existence, as some big projects are to be launched, one of which is now being handled by a special committee, the improving of the river road from Belle Vernon to Webster, and making it a state highway. It is possible that the Donora-Webster bridge will receive consideration as it is understood that a formal request will come from Donora's new Chamber of Commerce asking for assistance upon this issue which has been given impetus by that town. The Monessen Board of Trade will be expected to take care of the Westmoreland county side of the big project. At the coming meeting it is likely that Chairman Sattley will appoint his committees for the year's work and some changes may be made.

FOR RENT—Furnished front room, suitable for one or two gentlemen. Apply at 545 Donner avenue. 84 3tp

Star Theatre

The bill for the latter part of this week at the Star is one of more than ordinary merit. The boards announce Frank Degroot "Vanderville's real singer" as a vocal artist of exceptional ability. Stearns and Royal present an extremely comical playlett entitled "He". The third act is Jones and Gibbs in singing, dancing, talking and balancing act that is a sidespliter from start to finish. See the latest in moving pictures as shown by the Starograph.

WILL HOLD FOURTH DANCE IN SERIES

The fourth of the series of dances to be held by the Monessen club will be held on the evening of January 17th. The place of holding the affairs has been changed from Turner to Kelly's hall for the reason that the Turners ask $25.00 per night rental which is a prohibitive rate for a social function where the assessment is as moderate as is exacted by the committee of the Monessen club. It is a well known fact that the floor of the Kelly hall is in perfect condition and those who attend will find the accommodations up to the standard if not surpassed for the committee is planning for an exceptionally pleasant evening. The Jenkins orchestra will furnish the music and the hours are from 8 to 12.

The Bijou

"Father and the Girls" to light at the Bijou is a scream from start to finish. The father has his troubles in steering through life a family of girls and the plot and action are of that entirely different sort. Also the well known Vitagraph players in "Doll" a story teeming with a pathos that is remarkable and having a lesson that should be followed by every one. 3,000 feet of the latest releases daily.

SOCIETY NOTES

The Hummer Club will meet this evening at the home of Eoline Mitchell on McKee avenue.

The First street "500" Club met last evening at the home of Mr. and Mrs. M. H. Robertson on Reed avenue. After spending a very enjoyable evening at the tables a lunch was served which reflected a great deal of credit on the hostess.

The Liberty

The number that drew the 45 piece set of dishes last night at the Liberty theatre is 082279. Anyone holding this number will please call and get their set of dishes free. Bill for today only is "Temptaton of a Greater City" in 3 parts and 50 scenes—your ticket also gives you a chance on a 45 piece set of china dishes,. Admission 5c for children and 10c for adults. Six reels in all making a performance of an hour and half duration. If you miss this show you will certainly regret it very much.

FIRST ACCIDENT OF SEASON AS RESULT OF SLEDRIDING

The first real accident as a result of sledriding since the recent snow, happened last night about six o'clock at the intersection of Ninth and Schoonmaker avenue, when Henry Johnson, aged 11 years, son of Mr. and Mrs. A. Johnson, of Morgan avenue, collided with the buggy of George Sherwin. Mr. Sherwin was driving along the street on his way to his home in Essen and the little fellow was coming down the hill at breakneck speed and his sled run under the buggy and the boy's head either struck a wheel of the vehicle or the curb and cut two nasty gashes. He was rendered unconscious by the blow and was picked up by Mr. Sherwin and several companions who were also sliding and taken to his home. Dr. Farquhar was summoned and it required five stitches to close the wounds. An ugly gash is cut in the forehead to the skull, laying the bone bare and another in the side of the head. The little fellow is able to be around today and no critical symptoms are expected. For the past two days every hill in town has been lined with children sled riding. They come down the steep grades at breakneck speed and shoot across the main thoroughfares of the town where teams or street cars are passing and the danger to life is far in excess of the amusement. There are no official restrictions as to the amusement and wherever a boy finds a grade he proceeds to enjoy himself unconscious of the dangers which attend. Even Fourth street from McKee to Donner is used for the sport and sidewalks are not immune at this season of the year. Considering these death traps it will not be surprising if other accidents follow and then everybody will be busy trying to fix the blame.

MONESSEN WILL BE HEADQUARTERS

On last Sunday evening Mr. George Banich, who had come here to take up the work as missionary among the Slavs, spoke before the congregation of the Baptist church and in a brief way outlined his plans for the work. Monessen will be made the headquarters and the work will be carried on in Monongahela, Donora, Charleroi and Belle Vernon. This presents a very fertile field for this work and Mr. Banich seems very able to perform the task. He is an accomplished linquist, speaking seven different languages, and an impressive and forceful speaker. A Sunday school class for the little foreign children will be organized Sunday afternoon at the church and this will be made a permanent organization.

The Luna

One of the most beautiful stories of the Civil war ever shown in moving pictures is "Driving Home the Cows," which will be presented at the Luna theatre this evening. This is a dramatization from a poem centering mainly around the Civil war and the settings, mostly among the plantations are taken among the most remarkable spots in the South. There will be two other good reels, making 3,000 feet in all.

YOUNG MAN DIED AT BEAVER FALLS

Word was received this morning from Beaver Falls announcing the sad death of William A. Bell colored, in the hospital at that place after a short illness. The young man was 25 years old and up until a short time ago had been employed at the Wilbur Hotel there. His father is William A. Bell of this place and is employed at the Pittsburg Steel Mill.

The remains were sent for on the 11 o'clock train by R. S. Kelly. Notice of the funeral will appear in these columns later.

ISSUES A LEAP YEAR PROCLAMATION

Daniel Cupid, Esq., has formed a new conspiracy.

W. P Lyons, a Southside, Pittsburg squire, is party to the scheme to trap as many eigible young men as possible during the present leap year season.

Alderman Lyons this morning issued a proclamation warning all young men to follow the advice "Beware of women," for he has granted a special dispensation to the bolder of the gentler sex who may now pick their prey, haul the embarrassed young man before the genial alderman, and by taking an oath that the man had no part in the proposal, secure a marriage ceremony free of charge. If some justice or divine would only have nerve enough to get into this thing, he might aid wonderfully in establishing a lot of homes the coming year right in Monessen.

KNIGHTS OF COLUMBUS HAVE ROYAL TIME

One of the finest banquets of the season was that held at the Kilroy hotel last night on the occasion of the annual election of officers of the Knights of Columbus. Seventy covers were laid for local and visiting members and the evening was one of both pleasure and profit. The hotel was artistically decorated for the occasion in the fraternal colors which are yellow and white and the ornamentation was spread to the tables. No little pains was required on the part of the proprietors, Messrs. Kilroy, for the manner in which they carried out their part of the program. The supper was enjoyed by every person present and many were the testimonials of praise. When the guests were seated about the banquet table the picture was perfect and included a representation of strong men banded together for a noble fraternal work, the example of which is spread broadcast.

Mr. James McKenna occupied the position of toastmaster and filled the place to perfection. He dwelt in the outetart upon the fundamental principles of the order and proceeded to introduce the speakers.

State Deputy John McKenery, of Philadelphia, was present and made an excellent talk, and he was followed by Dr. Walsh and Andrew McSwigen, of Pittsburg, men also high up in the councils of the fraternity. Mr. John Ely, Deputy of the Twenty fourth district, was present from Jeannette and also made a very nice talk. A visiting delegation of fifteen was present from McKeesport and other towns in the valley were well represented. The affair was not only a banquet, but it was also a testimonial meeting to the retiring Grand Knight, Mr. Daniel Downey and his able assistants who have so nobly performed the duties incumbent upon them during the past year. The officers elected last night for the ensuing year are: Grand Knight, J. E. McElroy, Deputy Grand Knight, Ralph E. Bearer; Warden, William Lamey; Chancellor, Robert M. Young; Financial Sec., Eugene Lohman; Sec., J. Maurice Dalton; Inside Guard, Joseph Lafferty; Outside Guard, Henry M. Lafferty; Treasurer, John A. Lohman; Trustees, A. Brautegam, Alex Curry, Peter Amann; Advocate, Hugh A. Maloney; Lecturer, James McKenna; Chaplain, Rev. Father A. J. Wigley.

BIG BUSINESS BLOCK TRADED FOR FARM

Mr. J. C. Lynch has taken complete charge of the plumbing establishment of C. W. Culler and company and will hereafter conduct the business on his own resource, having purchased the interests of Mr. Culler. Mr. Culler and family have removed to Dunbar, Fayette county, where they will reside on a big stock and fruit farm, having made a deal recently with Mr. Charles Pettit, whereby Mr. Pettit becomes the owner of the double business block on Donner avenue, formerly owned by Mr. Culler. The property was traded for the farm at a consideration of $12,000 and Mr. Pettit and family have removed from the farm to Monesen and will permanently reside here.

With the Culler family Mr. John Prather, a son-in-law, also adopts the pursuit of farming. About a year ago Mr. Culler fell while doing some work at the plant of the Ontario Chemical company on Donner avenue and had the misfortune to break his leg, since which time he has not been able to cope with the hardships of his trade as a plumber and he decided that the change to farm life would be advantagecus. Friends here wish the family well in their new quarterss and their new field of labor.

Harry E. Cope Takes Bride

A marriage that will prove of local interest is that of assistant district attorney Harry E. Cope and Miss Edith Taylor, of Manor. The bride is a daughter of Mr. and Mrs. George Taylor and was one of the most popular younger ladies in the younger set in that town. Mr. Cope is well known memter of the Westmoreland County bar and formerly was located in the city with offices in the Barker building.

John Irwin, former Borough Engineer, but now of Latrobe, was a business visitor in town this morning.

The Greensburg Morning Review observes the progress of the Independent and has the following to say:

"With the opening of the New Year the Monessen Independent moved into its new building on Sixth street and is now prepared to handle a business that is rapidly growing and has made it necessary for the plant to be moved from the hampered quarters in the Rinehart building.

The new quarters have been well fitted with a Babcock standard cylinder press with a capacity of 2,500 copies per hour, a unitype machine and a number of job presses. The building is occupied exclusively by the Independent and there is sufficent room for the continued increase in business that is anticipated by the editor and general manager, under whose direction the building was erected.

The history of the Independent reads like a novel. It had its beginning in a circular, or rather baseball bulletin, that was issued one early June afternoon in 1902, to herald the results of a hotly contested game between Monessen and Belle Vernon. There were already two papers published in the town., but each appeared only once a week and the fans were dissatisfied with the stale records of the games and made a demand for the continuance of the Bulletin." Items of news came pouring in from all sides and a real newspaper was inevitable.

It was the same creed of straight forwardness in policy and the presentation of live and clean news that furnished a firm basis for its start. That now serves to increase its prestige and bring new laurels to the able and efficient exclusive force, the members of which have won out over competition and the handicap of a comparatively small community."

The Democratic press is continually harping about the split in the Republican party and the latter is likewise harping upon the split in the former. The fellow outside can readily see that both parties are badly split.

The Times-Sun congratulates Editor Harry Pore on the success which has enabled him to occupy his own new building erected during the past few months, for a permanent home for the Daily Independent, and the people of Monessen upon having such an able and fearless guardian of the interests of the municipality and the rights of the inhabitants. May the Independent live long and prosper.— West Newton Times Sun.

THESE ARE PLAIN FACTS

Now, when nearly everybody is coughing, it is well to know the plain truth about coughs and colds.

Since coughs are caused by irritation of the sensitive lining of the bronchial tubes, the only way to cure a cough is to stop that inflamation.

The only way to do that is through the blood—by making it richer so that it will nourish and soothe the inflamed, tender tissues.

Instead of cough syrups we always recommend that sterling blood and strength renewer, Vinol. It is a delicious cod liver and iron preparation without oil and actually cures coughs, colds and bronchitis by building up the whole system.

Mrs. Bessie Mathes, Lynchburg S. C. says, "I want you to know what Vinol has done for me. I have had chronic bronchitis for the past year, coughing, and losing sleep a great deal. Two bottles of Vinol fixed me up all right, my cough is gone and I am better in every way."

We give back your money if Vinol does not do all that we claim. Hirsch Drug Store Monessen, Pa.

OSLER RIGHT; YOUTH SUCCEEDS AGE

Gray Hair Is First Sign of Age. Harmless Remedy Restores to Natural Color.

Osler isn't the only man who turns down old age. In the business world the "young man" is always the one who picks the plums. It is an age of "new thought," "new talent," etc. and the old man is passed by in the race.

One of the first signs of coming age is the appearance of gray hairs. When you see them, act promptly. Wyeth's Sage and Sulphur Hair Remedy will correct this sign, which so often deceives people into thinking that age is really upon them. It is a well-known fact that Sage and Sulphur will darken the hair. Wyeth's Sage and Sulphur combines these old-time remedies with other agents, which remove dandruff and promote the growth of the hair.

The manufacturers of this remedy authorize the druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

Don't look old before your time. Get a bottle of Wyeth's Sage and Sulphur to-day, and see what an improvement it will make in the appearance of your hair.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.

IT GROWS HAIR

Here are Facts we Want to Prove at our Risk

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course, in none of these cases were the hair roots dead, nor had the scalp taken on a glazed, shiny appearance.

Rexall "93" Hair Tonic acts scientifically, destroying the germs which are usully responsible for baldness It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet requisite, is delicately perfumed, and will not gum or permanently stain the hair.

We want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote an increased growth of hair, and in every way give entire satisfaction or formality we will hand back to you every penny you paid us for it. Two sizes, 50c. and $1.00. Sold only at our store—The Rexall Store. Craig's Drug Store.
